

# Commercial Law & NHS Practice Law for Doctors

The logo for Doctors Defence Service is a green-bordered square containing the text "Doctors Defence Service" in a green, sans-serif font, arranged in three lines.

Doctors  
Defence  
Service

DDS looks after doctors across the UK who run GP practices, clinics, domiciliary care, hospitals and other clinical and non-clinical operations run by doctors. Legal advice can be provided in a number of areas of law, including commissioning and contracting matters.

For advice on any matter concerning the operation of a commercial or NHS concern, including land law and trusts, [contracts](#), healthcare facilities, IRMER radiological law, health and safety law, [CQC law and CQC inspections](#) affecting doctors, [NHS contracting](#) and commissioning, and [employment law](#), use our [Contact Form](#) for a call back or call us on **0800 10 88 739**
